Respected sir/madam,

Subject: Abduction of Malaysian jet MH370 aeroplane

Regarding the disappearance of the Malaysian jet MH370 with 239 passengers, we, the Promoters of Superscience, New Delhi declared to the world on the same day 9th March 2014 itself that it was abducted by Aliens. Based on our declaration, three news agencies— *THE STAR ONLINE*, Malaysia on Friday March 21st 2014; *ASIA NEWS NETWORK*, Thailand on Monday, 31st March 2014, and *Flightglobal AVIATION CONNECTED*, United Kingdom on 2nd April 2014—flashed news on our declaration through their media with their own individual opinion on the abduction of the aeroplane.

Enclosed herewith are the details in 9 pages that we sent to the Hon'ble Prime Minister of Malaysia Right Hon'ble Dato' Sri Mohd Najib Bin Tun Haji Abdul Razak regarding the abduction of the aeroplane, including a personal letter to him in two pages, from all of which you will get the full information to cover the news.

Whereas these three international news agencies published our declaration to the world regarding the abduction, the Indian newspapers, we are sorry to say, have been sleeping until now over the declaration of us Indians the Promoters of Superscience. So kindly make use of the enclosed detailed information and let your esteemed newspaper also be a channel of publishing our declaration.

Yours sincerely
