Sub: An admonition regarding the missing Aeroplane

We, the Promoters of Superscience, New Delhi, firmly declare that the abduction of Malaysian Aeroplane is done by Aliens from other planets. One or two aliens disguised themselves as passengers and could enter into the aeroplane and after a short while of travelling made the total travellers including the pilots and crew into a sudden coma state within half a second and took the aeroplane wherever they wished in the part of the Space or into another planet for their deep experiments according to their superior science, and superior Mathematics, both of which are a bit different from the present science and present Mathematics of the mankind.

As the starting of establishing interplanetary link with the earth the Aliens did it, because by disturbing their dominion in the Space a group of mankind is in the venture of going and settling in the Mars. Before that the Aliens want that the mankind should adopt their Mathematics and their superior science and the technique of their swift travelling ariel vehicle.

In this regard please do not find any fault with your security men, whose intellect, inner eye and outer eye could be easily restricted by the Aliens. I am the Man of the East who with three of my colleagues visited Malaysia in 2010 in the months of October and November, where we could find that your security men are more strict. We had weeks long stay in Penang and Kuala Lumpur and in between we had presented our new scientific theory and New Mathematics theory in Singapore Science Centre by using our multiple entry visa.

P.T.O

To avoid this kind of disguising of Aliens and creating problems throughout the globe including Malaysia, as Malaysia is now the first victim of Aliens, Malaysia should apply the remedy as the first country in the globe for it.

So, I am the Man of the East, the Master ji and guide of the Promoters of Superscience, a school of scientific thinkers presently settled in New Delhi, after my receiving many superior scientific aspects and Universal Mathematics of the Aliens through the help of the Aliens, I can give the remedy at first to the nation of Malaysia. So, at first Malaysia should adopt the sensible and logical Mathematics of the Aliens in accordance with the round clock, round earth and round universe as the Universal Mathematics of the Aliens and of ours, the Promoters of Superscience. I could present this Universal Mathematics in Calcutta Mathematical Society twice. So we can explain this Universal Mathematics which is with valuable left-side 0 and New Digit 01, in your nation, so that Malaysia would be in the championship of the superior science and the New Mathematics of the Aliens even with regard to the aspect of our presenting of Universal Mathematics in the UN General Assembly by the already received demand from the UNO to us. ***In this regard we, the Promoters of Superscience, New Delhi shall be obliged to Malaysia if as a member nation Malaysia will represent us in the UN General Assembly, while our own nation India has not done it for us so far, eventhough UNO demanded us to present it in the UN General Assembly.***

The attachment in seven pages of our letters to the globe concerning the missing aeroplane is attached for your kind reading and action.

Yours sincerely
